

# MagnaFuel ProStar 500 Fuel Pumps with Filter MP-4450

**Brand:** Magnafuel  
**Product Code:** MP-4450  
**Availability:** 1  
**Weight:** 10.00lb  
**Dimensions:** 0.00in x 0.00in x 0.00in

**Price: \$495.99**

## Short Description

**Fuel Pump, Electric, ProStar 500 w/Filter, External, Gas/Acohol, Single -12 AN Inlet/Outlet, 25-36 psi., 2,000 HP, Universal, Each**

## Description

**Maximum Pressure (psi): 36 psi**

**Inlet Size: -12 AN**

**Inlet Quantity: One**

**Inlet Attachment: Female threads**

**Outlet Size: -12 AN**

**Outlet Quantity: One**

**Outlet Attachment: Female threads**

**Quantity: Sold individually.**

**Notes: Features built-in filter and #8 adjustable bypass.**

**MagnaFuel ProStar 500 fuel pumps with filters are built with computer-machined aluminum bodies. They feature custom-built motors and an exclusive vane/rotor design to provide cool, low-amperage operation without overheating. Compatible with gasoline and alcohol fuel, these pumps use an externally adjustable bypass to eliminate pump cavitation, stabilize fuel flow, and eliminate fuel starvation. They feed engines up to 2,000 hp.**
